RECOMMENDED CASH ACQUISITION

of

DOWNING RENEWABLES & INFRASTRUCTURE TRUST PLC

by

POLAR NIMROD TOPCO LIMITED

(a newly formed vehicle, wholly-owned by Bagnall Energy Limited)

to be implemented by means of a Court-sanctioned scheme of arrangement under Part 26 of the Companies Act

Summary

- The boards of directors of Bagnall Energy Limited ("**Bagnall**") and Downing Renewables & Infrastructure Trust plc ("**DORE**") are pleased to announce that they have reached agreement on the terms of a recommended cash acquisition, pursuant to which Polar Nimrod Topco Limited ("**Bidco**"), a wholly-owned subsidiary of Bagnall, will acquire the entire issued and to be issued ordinary share capital of DORE that the Bagnall Group does not already own (the "**Acquisition**").
- It is intended that the Acquisition will be implemented by means of a Court-sanctioned scheme of arrangement under Part 26 of the Companies Act (the "**Scheme**").
- Under the terms of the Acquisition, which will be subject to the Conditions and further terms set out in Appendix 1 to this announcement and to the full terms and conditions that will be set out in the Scheme Document, each Scheme Shareholder at the Scheme Record Time will be entitled to receive:
for each Scheme Share: 102.6016 pence in cash (the "Offer Price")
- The Offer Price represents:
 - a premium of approximately 23.62 per cent. to the Closing Price of 83.00 pence per DORE Share on 19 June 2025 (being the Latest Practicable Date);
 - a premium of approximately 21.59 per cent. to the volume weighted average price of 84.38 pence per DORE Share for the one-month period ended on 19 June 2025;

- a premium of approximately 25.31 per cent. to the volume weighted average price of 81.88 pence per DORE Share for the three-month period ended on 19 June 2025;
 - a premium of approximately 25.91 per cent. to the volume weighted average price of 81.49 pence per DORE Share for the twelve-month period ended on 19 June 2025;
 - a discount of approximately 7.46 per cent. to the unaudited net asset value of DORE as at 31 March 2025 of 112.3602 pence per DORE Share (the "**31 March 2025 NAV**"), adjusted for the Q1 DORE Dividend (as defined below) of 1.4875 pence per DORE Share, resulting in an ex-dividend NAV of 110.8727 pence per DORE Share (the "**Ex-Dividend 31 March 2025 NAV**"); and
 - a discount of approximately 8.69 per cent. to the 31 March 2025 NAV.
- The Offer Price values the entire issued ordinary share capital of DORE at approximately £174.55 million.
 - As announced on 20 May 2025, DORE will pay its first quarterly interim dividend in respect of the three months ended 31 March 2025 of 1.4875 pence per DORE Share on or around 27 June 2025 to DORE Shareholders that were on DORE's register of members on 30 May 2025 (the "**Q1 DORE Dividend**"). DORE Shareholders that were on DORE's register of members at that time will be entitled to receive and retain the Q1 DORE Dividend in full.
 - In addition, Bagnall's board of directors (the "**Bagnall Board**") and DORE's board of directors (the "**DORE Board**") have agreed that should the Effective Date of the Scheme fall after 31 August 2025, DORE shall be entitled to declare a special dividend of 0.5 pence per DORE Share, such dividend to be declared and paid prior to the Effective Date (the "**Special Dividend**" and together with the Q1 DORE Dividend, the "**DORE Permitted Dividends**"). DORE Shareholders shall be entitled to receive and retain any such Special Dividend (in addition to the Q1 DORE Dividend) without any corresponding reduction to the consideration payable by Bidco for each Scheme Share under the Acquisition.
 - For information on the impact of any other dividend and/or other distribution made or declared by DORE subsequent to this announcement on the Offer Price, see paragraph 10 in the body of this announcement below.
 - As set out below, Bidco has received indications of support in the form of irrevocable undertakings and letters of intent from Scheme Shareholders, which represent, in aggregate, approximately 16.76 per cent. of DORE's issued ordinary share capital (excluding any shares held in treasury) and approximately 22.54 per cent. of the Scheme Voting Shares (being those Scheme Shares eligible to vote at the Court Meeting), in each case as at the Latest Practicable Date.
 - Bidco is a newly-incorporated company formed at the direction of Bagnall for the purposes of the Acquisition. Bagnall held 25.35 per cent. of DORE's issued ordinary share capital (excluding any shares held in treasury) as at the Latest Practicable Date (and is eligible to vote at the General Meeting but not at the Court Meeting). Bagnall was established in 2013, and its principal activity is to invest in the acquisition, development and operation of energy generation and infrastructure assets, and to make loans to energy and infrastructure businesses through its trading entities. Bagnall aims to preserve capital and deliver a steady return to its investors through income generation and capital appreciation.

Downing LLP (the "**Investment Manager**") acts as discretionary investment manager to Bagnall and also provides certain administrative services to Bagnall. The Investment Manager also acts as investment manager to DORE.

- In accordance with the requirements of Rule 29 of the Code, Appendix 4 to this announcement contains a valuation report in respect of DORE's portfolio of renewable energy infrastructure assets from Forvis Mazars LLP confirming the valuation as at 31 March 2025 prepared by the Investment Manager in connection with the 31 March 2025 NAV published by DORE on 20 June 2025. The valuation report will also be included in the Scheme Document.

Background to, and reasons for, the Acquisition

- Bagnall is a long-term private investor with a diverse portfolio of investments in renewable energy infrastructure assets. Bagnall has significant experience in the renewable energy infrastructure sector as it is already a substantial investor in solar power, wind power, hydropower and battery storage across the UK and Northern Europe. Bagnall has invested in renewable energy infrastructure assets since 2013 and its portfolio contains 8,649 renewable generation assets across 118 holdings.
- The Bagnall Board believes that renewable energy infrastructure will be one of the most impactful and lasting investment themes in the foreseeable future, and DORE's renewable energy infrastructure assets are a compelling long-term investment opportunity that enhance portfolio diversification, and enable investors to capitalise on the growing renewable energy sector. Alongside these benefits, renewable energy infrastructure assets help to reduce the impact of climate change through the generation of clean electricity, appealing to investors who are conscious of the environmental and the social impact of their investments.
- As DORE's largest shareholder since DORE's IPO, the Bagnall Board is pleased by the progress made by DORE so far under the management of the Investment Manager. However, the adverse macroeconomic backdrop affecting DORE and many other alternative funds in the UK investment trust sector has resulted in DORE's shares consistently trading at a discount to DORE's NAV per share since the end of September 2022. The Bagnall Board believes that there can be no certainty or expectation that this discount can be materially reduced or for the DORE Share price to exceed the Offer Price in the medium-term.
- The significant and persistent discount to NAV over the past 12 months has prevented DORE from issuing new shares to reach a more meaningful scale, and has deterred buyers in the secondary market. The Bagnall Board believes that DORE's lack of scale currently presents a structural disadvantage and may impact DORE's efficiency and appeal, with higher operating costs reducing net returns for investors, limited liquidity deterring institutional investors and a lack of scale restricting DORE's ability to make new acquisitions. All of these factors may further hinder DORE's efforts to address its persistent discount to NAV.
- The Bagnall Board wishes to maintain and increase Bagnall's exposure to DORE's portfolio and strategy and believes that DORE will achieve greater success as a private vehicle. The privatisation of DORE will also deliver immediate value crystallisation to DORE's existing shareholders. Bagnall is well placed to support DORE's existing portfolio as both companies have been managed by the Investment Manager since inception.

Background to, and reasons for, the DORE Directors' recommendation of the Offer

- DORE has returned one of the highest NAV total return rates (including dividends reinvested) in the listed renewable energy infrastructure sector over the last three years to 31 December 2024. Since IPO, DORE has generated a NAV total return (including dividends reinvested) of 36.2 per cent. to 31 March 2025 (inclusive of the Q1 DORE Dividend announced on 20 May 2025), equivalent to an annualised NAV total return of 7.1 per cent., against the medium-term target of 6.5 to 7.5 per cent. per annum set out at DORE's IPO.
- The DORE Shares began trading at a share price discount to NAV from the end of 2022, prompting the DORE Board to initiate share buybacks in March 2023 as part of a broader effort to narrow the discount, which culminated in a significant buyback programme returning £12 million to shareholders, equivalent to approximately 7.9 per cent. of DORE's issued share capital at the time the programme commenced.
- Despite these efforts and the Investment Manager's successful execution of the investment strategy, DORE has continued to experience a prolonged dislocation of its share price from its NAV per share and NAV performance. During this period, UK-listed alternative investment trusts have experienced widening share price discounts to NAV, owing to elevated interest rates, weaker investor sentiment, fund reallocation away from alternative assets, and declining asset valuations. As at the Latest Practicable Date, the market capitalisation weighted average share price discount to NAV in the UK-listed renewable energy infrastructure sector was approximately 27 per cent., significantly wider than the sector's market capitalisation weighted average share price premium of approximately 10 per cent. at the end of December 2020, shortly after DORE was launched.
- The DORE Board believes that the negative impact of the external headwinds on the renewable energy infrastructure sector has at times disproportionately affected DORE's share price discount to NAV given DORE's small size, relatively low trading volumes, and lack of ability to issue new shares.
- In March 2025, DORE received an unsolicited indicative all-cash proposal from Bagnall regarding a possible offer for the entire issued, and to be issued, ordinary share capital of DORE not already owned by Bagnall. Following negotiation between the parties, the terms of the proposal were revised and improved.
- In assessing the Offer, the DORE Board considered DORE's prospects as a standalone subscale investment trust, feedback from major shareholders, and Bagnall's position as DORE's largest shareholder.
- As the DORE Board retains its confidence in the Investment Manager and DORE's strategy, in the absence of the Acquisition, which is at a material premium to the share price, the DORE Board would be inclined to recommend to shareholders that DORE continue in its present form. The DORE Board believes that DORE's share price discount to NAV does not fairly reflect the DORE portfolio's value, performance or longer-term prospects. However, it also acknowledges that various risks and uncertainties, many of which are beyond DORE's control, are likely to persist in the short to medium-term. These factors may continue to weigh on the future share rating and, by extension, shareholder returns.
- In reaching its conclusion, the DORE Board has considered that the Offer Price of 102.6016 pence per DORE Share represents a 23.62 per cent. premium to the Closing Price of 83.00 pence per DORE Share

on 19 June 2025 (being the Latest Practicable Date) and a 7.46 per cent. discount to the Ex-Dividend 31 March 2025 NAV. The DORE Board considers the Ex-Dividend 31 March 2025 NAV to be a more appropriate comparator to the Offer Price than the 31 March 2025 NAV which includes the Q1 DORE Dividend. Accordingly, following careful consideration of the above factors, the DORE Board has concluded that the Offer is in the best interests of DORE's shareholders as a whole.

Recommendation

- **The DORE Directors, who have been so advised by Singer Capital Markets as to the financial terms of the Offer, consider the terms of the Offer to be fair and reasonable. In providing its advice to the DORE Directors, Singer Capital Markets has taken into account the commercial assessments of the DORE Directors. Singer Capital Markets is providing independent financial advice to the DORE Directors for the purposes of Rule 3 of the Code.**
- **The DORE Directors intend to unanimously recommend that Scheme Voting Shareholders vote (or procure the vote) in favour of the Scheme at the Court Meeting and DORE Shareholders vote (or procure the vote) in favour of the Resolutions to be proposed at the General Meeting (or, in the event that the Acquisition is implemented by way of a Takeover Offer, to accept or procure acceptance of the Takeover Offer), as they have irrevocably undertaken to do in respect of their own beneficial holdings of, in aggregate, 401,085 DORE Shares, which represent, in aggregate, approximately 0.23 per cent. of the issued ordinary share capital of DORE (excluding any shares held in treasury) and approximately 0.31 per cent. of the Scheme Voting Shares (being those Scheme Shares eligible to vote at the Court Meeting), in each case as at the Latest Practicable Date.**

Irrevocable undertakings and letters of intent

- Bidco has received commitments and indications of support for the Acquisition from DORE Shareholders in respect of 28,526,111 DORE Shares, which represent, in aggregate, approximately 16.76 per cent. of DORE's issued ordinary share capital (excluding any shares held in treasury) and approximately 22.54 per cent. of the Scheme Voting Shares, in each case as at the Latest Practicable Date.
- These commitments and indications comprise irrevocable undertakings in respect of 13,850,934 DORE Shares, which represent, in aggregate, approximately 10.94 per cent. of the Scheme Voting Shares and non-binding letters of intent in respect of 14,675,177 DORE Shares which represent, in aggregate, approximately 11.60 per cent. of the Scheme Voting Shares, in each case as at the Latest Practicable Date.
- The irrevocable undertakings include irrevocable undertakings received from each of the DORE Directors who hold DORE Shares to vote (or procure the vote): (i) in favour of the Scheme at the Court Meeting; and (ii) in favour of the Resolutions to be proposed at the General Meeting (or, in the event that the Acquisition is implemented by way of a Takeover Offer, to accept or procure acceptance of the Takeover Offer) in respect of their entire respective beneficial holdings of Scheme Shares. In aggregate, this represents 401,085 DORE Shares, being all of the DORE Shares currently beneficially held by such DORE Directors and approximately 0.31 per cent. of the Scheme Voting Shares as at the Latest Practicable Date.

- These commitments and undertakings also include irrevocable undertakings received from T.Choithram & Sons, Human Capability Foundation and Downing Sustainable Investments I, and non-binding letters of intent from Hawksmoor Investment Management, FS Wealth Management and Tyndall Investment Management, in each case to vote (or to procure the vote) (i) in favour of the Scheme at the Court Meeting and (ii) in favour of the Resolutions to be proposed at the General Meeting (or, in the event that the Acquisition is implemented by way of a Takeover Offer, to accept or procure acceptance of the Takeover Offer) in respect of their entire respective beneficial holdings of Scheme Shares. In aggregate, such irrevocable undertakings represent 13,449,849 DORE Shares and approximately 10.63 per cent. of the Scheme Voting Shares as at the Latest Practicable Date. The non-binding letters of intent represent, in aggregate, 14,675,177 DORE Shares and approximately 11.60 per cent. of the Scheme Voting Shares as at the Latest Practicable Date.
- Further details of the irrevocable undertakings (including the circumstances in which they may lapse) and the non-binding letters of intent are set out in Appendix 3 to this announcement.

Conditions, timetable and valuation report

- It is intended that the Acquisition will be implemented by way of a Court-sanctioned scheme of arrangement under Part 26 of the Companies Act. However, Bidco reserves the right to elect (with the consent of the Panel and subject to the terms of the Co-operation Agreement) to implement the Acquisition by way of a Takeover Offer.
- The Acquisition will be subject to the Conditions and certain further terms set out in Appendix 1 to this announcement and to the full terms and conditions that will be set out in the Scheme Document. The Conditions include, amongst other things: (i) the approval of Scheme Voting Shareholders at the Court Meeting and the passing of the Resolutions at the General Meeting; (ii) the sanction of the Scheme by the Court; (iii) the Scheme becoming Effective by no later than the Long Stop Date; and (iv) certain regulatory clearance conditions, as set out in paragraphs 3.1 – 3.4 of Part A of Appendix 1 to this announcement.
- In order to become Effective, the Scheme must be approved by a majority in number of Scheme Voting Shareholders representing at least 75 per cent. of the voting rights of Scheme Voting Shareholders, in each case present and voting, either in person or by proxy, at the Court Meeting and at any separate class meeting which may be required by the Court or at any adjournment of such meeting.
- It is expected that the Scheme Document, containing full details of the Scheme and notices of the Court Meeting and General Meeting, together with the Forms of Proxy, will be sent to DORE Shareholders within 28 days of this announcement (or such later time as DORE, Bidco and the Panel may agree).
- Subject to the satisfaction or, where applicable, waiver of the Conditions, it is expected that the Scheme will become Effective in the third or early in the fourth quarter of 2025. An expected timetable of principal events relating to the Acquisition will be provided in the Scheme Document.
- For the purposes of Rule 29.1(d) of the Code, a valuation report in respect of DORE's portfolio from Forvis Mazars LLP confirming the valuation as at 31 March 2025 prepared by the Investment Manager in connection with the 31 March 2025 NAV published by DORE on 20 June 2025 is set out in Appendix 4 to this announcement and will also be included in the Scheme Document (or, if applicable, the Offer Document). For the purposes of Rule 29.5 of the Code, the DORE Board confirms that Forvis Mazars

LLP has confirmed to it that an updated valuation of DORE's portfolio of renewable energy infrastructure assets as at the date of this announcement would not be materially different from the valuation as at 31 March 2025 confirmed by Forvis Mazars LLP in the valuation report set out in Appendix 4 to this announcement.

Commenting on the Acquisition, Hugh Little, DORE's Chair, said:

"DORE has consistently delivered on its investment strategy resulting in a strong NAV and dividend performance since IPO. Despite this, and the proactive steps taken by the Board to narrow its share price discount in recent years, the sustained horizon of economic and macro uncertainty has weighed on the share price, which has also limited the opportunities for further raising of new capital, and which may stretch into the mid to long-term. The Board of DORE considers the certainty of the offer by Bidco, at a significant premium to the closing share price, to be fair and in the best interest of shareholders."

Commenting on the Acquisition, James Watson, Bagnall's Chair, said:

"We are firm believers in the transformative power of renewable energy infrastructure, and the acquisition of DORE aligns perfectly with Bagnall's long-term vision and commitment to the sector. However, given challenging public market conditions and DORE's current lack of scale, we believe that the acquisition will enable it to achieve greater scale, success and operational efficiency. For too long, DORE's true value has not been reflected in its share price, and today's offer represents an attractive opportunity for DORE Shareholders to immediately crystallise value."

This summary should be read in conjunction with, and is subject to, the full text of this announcement and its Appendices.

The Acquisition will be subject to the Conditions and further terms set out in Appendix 1 and to the full terms and conditions which will be set out in the Scheme Document. The sources and bases of calculation of certain information contained in this announcement are set out in Appendix 2. Details of the irrevocable undertakings and the letters of intent given in relation to the Acquisition are set out in Appendix 3. The valuation report in respect of DORE's portfolio of renewable energy infrastructure assets from Forvis Mazars LLP confirming the valuation as at 31 March 2025, prepared by the Investment Manager in connection with the 31 March 2025 NAV published by DORE on 20 June 2025 is set out in Appendix 4 pursuant to Rule 29 of the Code. Definitions of certain terms used in this announcement are set out in Appendix 5.

Additional information for US investors

The Acquisition relates to the shares of an English company and is expected to be implemented by means of a scheme of arrangement provided for under the Companies Act. A transaction implemented by means of a scheme

of arrangement is not subject to the tender offer rules or the proxy solicitation rules under the US Exchange Act. The Acquisition is subject to the disclosure requirements and practices applicable to a scheme of arrangement involving a target company in England whose shares are traded on the main market of the London Stock Exchange, which differ from the disclosure requirements of the US tender offer and proxy solicitation rules.

The financial information with respect to DORE included in this announcement and the Scheme Document (or, if the Acquisition is implemented by way of a Takeover Offer, the Offer Document) has been or will have been prepared in accordance with accounting standards applicable in the UK and may not therefore be comparable to the financial information of US companies or companies whose financial statements are prepared in accordance with generally accepted accounting principles in the US. Generally accepted accounting principles in the US differ in certain significant respects from accounting standards applicable in the UK.

If, in the future, Bidco exercises its right to implement the Acquisition by way of a Takeover Offer and determines to extend the Takeover Offer into the US, the Acquisition will be made in compliance with applicable US laws and regulations, including Section 14(e) of the US Exchange Act and Regulation 14E thereunder.

The receipt of cash pursuant to the Acquisition by US DORE Shareholders as consideration for the transfer of DORE Shares pursuant to the Scheme may be a taxable transaction for US federal income tax purposes and under applicable US state and local, as well as foreign and other, tax laws. Each DORE Shareholder (including each US DORE Shareholder) is urged to consult their own independent professional adviser immediately regarding the legal and tax consequences of the Acquisition applicable to them.

Neither the SEC nor any US state securities commission has approved or disapproved or passed judgment upon the fairness or the merits of the Acquisition or determined if this announcement is adequate, accurate or complete. Any representation to the contrary is a criminal offence in the US.

Each of DORE and Bidco is incorporated under the laws of England and Wales. In addition, some or all of their respective officers and directors reside outside the US, and some or all of their respective assets are or may be located in jurisdictions outside the US. Therefore, investors may have difficulty effecting service of process within the US upon those persons or recovering against DORE or Bidco or their respective officers or directors on judgments of US courts, including judgments based upon the civil liability provisions of US federal securities laws. Further, it may be difficult to compel a non-US company and its affiliates to subject themselves to a US court's judgment. It may not be possible to sue DORE or Bidco or their respective officers or directors in a non-US court for violations of US securities laws.

In accordance with normal United Kingdom practice and pursuant to Rule 14e-5(b) of the US Exchange Act, to the extent applicable, Bidco or its nominees or brokers (acting as agents) may from time to time make certain purchases of, or arrangements to purchase, DORE Shares outside the US, other than pursuant to the Acquisition, until the date on which the Acquisition becomes Effective, lapses or is otherwise withdrawn, in compliance with applicable law, including the US Exchange Act. These purchases may occur either in the open market at prevailing prices or in private transactions at negotiated prices. Any information about such purchases will be disclosed as required in the United Kingdom, will be reported via a Regulatory Information Service and will be available on the London Stock Exchange website at: <http://www.londonstockexchange.com>.

Further details in relation to US investors in DORE will be contained in the Scheme Document.

This announcement contains certain statements which are, or may be deemed to be, "forward-looking statements". These statements are prospective in nature and are not based on historical facts, but rather on the current expectations and projections of the management of Bidco, Bagnall and/or DORE (as the case may be) about future events, and are, therefore, naturally subject to risks, uncertainties and changes in circumstances that could cause actual results to differ materially from the future results expressed or implied by the forward-looking statements. Forward-looking statements often use words such as, without limitation, "anticipate", "target", "expect", "estimate", "intend", "plan", "forecast", "project", "goal", "believe", "aim", "will", "may", "hope", "continue", "would", "could" or "should" or other words of similar meaning or the negative thereof. Forward-looking statements include, but are not limited to, statements relating to the following: (i) future capital expenditures, expenses, revenues, economic performance, financial conditions, dividend policy, losses and future prospects; (ii) business and management strategies and the expansion and growth of the operations of DORE or Bidco; and (iii) the effects of government regulation on the business of DORE or Bidco. There are many factors which could cause actual results to differ materially from those expressed or implied in forward-looking statements. Among such factors are changes in global, political, economic, business, competitive, market and regulatory forces, circumstances or conditions, future exchange and interest rates, changes in tax rates and future business combinations or disposals. Such statements are qualified in their entirety by the inherent risks and uncertainties surrounding future expectations.

These forward-looking statements are based on numerous assumptions regarding the present and future business strategies of such persons and the environment in which each will operate in the future. Except as expressly provided in this announcement, neither they nor any other statements have been reviewed by the auditors of Bidco, Bagnall and/or DORE. By their nature, these forward-looking statements involve known and unknown risks and uncertainties because they relate to events and depend on circumstances that will or may occur in the future. The factors described in the context of such forward-looking statements in this announcement may cause the actual results, performance or achievements of any such person, or industry results and developments, to be materially different from any results, performance or achievements expressed or implied by such forward-looking statements. Although it is believed that the expectations reflected in such forward-looking statements are reasonable, none of Bidco, Bagnall and/or DORE can give any assurance that such expectations will prove to have been correct and persons reading this announcement are therefore cautioned not to place undue reliance on these forward-looking statements which speak only as at the date of this announcement. None of Bidco, Bagnall and/or DORE or their respective members, directors, officers, employees, advisers or any person acting on behalf of one or more of them, provides any representation, assurance or guarantee that the occurrence of the events expressed or implied in any forward-looking statements in this announcement will actually occur.

Except as required by the FCA, the London Stock Exchange, the Part VI Rules or any other applicable law and/or regulation, none of Bidco, Bagnall and/or DORE or their respective members, directors, officers, employees, advisers or any person acting on behalf of one or more of them, has any intention or accepts any obligation to update publicly or revise forward-looking statements, whether as a result of new information, future events or otherwise, except to the extent legally required. All subsequent oral or written forward-looking statements attributable to Bidco, Bagnall, DORE or any persons acting on their behalf are expressly qualified in their entirety by the cautionary statement above.

An Opening Position Disclosure must contain details of the person's interests and short positions in, and rights to subscribe for, any relevant securities of each of (i) the offeree company and (ii) any securities exchange offeror(s). A Dealing Disclosure by a person to whom Rule 8.3(b) applies must be made by no later than 3.30 p.m. (London time) on the business day following the date of the relevant dealing.

If two or more persons act together pursuant to an agreement or understanding, whether formal or informal, to acquire or control an interest in relevant securities of an offeree company or a securities exchange offeror, they will be deemed to be a single person for the purpose of Rule 8.3.

Opening Position Disclosures must also be made by the offeree company and by any offeror and Dealing Disclosures must also be made by the offeree company, by any offeror and by any persons acting in concert with any of them (see Rules 8.1, 8.2 and 8.4).

Right to switch to a Takeover Offer

Bidco reserves the right to elect, with the consent of the Panel (and subject to the terms of the Co-operation Agreement), to implement the Acquisition by way of a Takeover Offer as an alternative to the Scheme. RECOMMENDED CASH ACQUISITION

of

DOWNING RENEWABLES & INFRASTRUCTURE TRUST PLC

by

POLAR NIMROD TOPCO LIMITED

(a newly formed vehicle, wholly-owned by Bagnall Energy Limited)

to be implemented by means of a Court-sanctioned scheme of arrangement under Part 26 of the Companies Act

1. Introduction

The Bagnall Board and DORE Board are pleased to announce that they have reached agreement on the terms of a recommended cash acquisition, pursuant to which Bidco, a wholly-owned subsidiary of Bagnall, will acquire the entire issued and to be issued ordinary share capital of DORE that the Bagnall Group does not already own (the "**Acquisition**").

It is intended that the Acquisition will be implemented by means of a Court-sanctioned scheme of arrangement under Part 26 of the Companies Act (the "**Scheme**"). However, Bidco reserves the right to elect (with the consent of the Panel and subject to the terms of the Co-operation Agreement) to implement the Acquisition by way of a Takeover Offer.

2. The Acquisition

Under the terms of the Acquisition, which will be subject to the Conditions and further terms set out in Appendix 1 to this announcement and to the full terms and conditions that will be set out in the Scheme Document, each Scheme Shareholder at the Scheme Record Time will be entitled to receive:

for each Scheme Share: 102.6016 pence in cash (the "Offer Price")

The Offer Price represents:

- a premium of approximately 23.62 per cent. to the Closing Price of 83.00 pence per DORE Share on 19 June 2025 (being the Latest Practicable Date);

- a premium of approximately 21.59 per cent. to the volume weighted average price of 84.38 pence per DORE Share for the one-month period ended on 19 June 2025;
- a premium of approximately 25.31 per cent. to the volume weighted average price of 81.88 pence per DORE Share for the three-month period ended on 19 June 2025;
- a premium of approximately 25.91 per cent. to the volume weighted average price of 81.49 pence per DORE Share for the twelve-month period ended on 19 June 2025;
- a discount of approximately 7.46 per cent. to the Ex-Dividend 31 March 2025 NAV of 110.8727 pence per DORE Share; and
- a discount of approximately 8.69 per cent. to the 31 March 2025 NAV of 112.3602 pence per DORE Share.

The Offer Price values the entire issued ordinary share capital of DORE at approximately £174.55 million.

As announced on 20 May 2025, DORE will pay its first quarterly interim dividend in respect of the three months ended 31 March 2025 of 1.4875 pence per DORE Share on or around 27 June 2025 to DORE Shareholders that were on DORE's register of members on 30 May 2025 (the "**Q1 DORE Dividend**"). DORE Shareholders that were on DORE's register of members at that time will be entitled to receive and retain the Q1 DORE Dividend in full.

In addition, the Bagnall Board and the DORE Board have agreed that should the Effective Date of the Scheme fall after 31 August 2025, DORE shall be entitled to declare the Special Dividend of 0.5 pence per DORE Share, such dividend to be declared and paid prior to the Effective Date. DORE Shareholders shall be entitled to receive and retain any such Special Dividend (in addition to the Q1 DORE Dividend) without any corresponding reduction to the consideration payable by Bidco for each Scheme Share under the Acquisition.

The terms of the Acquisition are based on the assumption that no dividends, other distributions or other returns of capital or value will be authorised, declared, made or paid on or before the Effective Date with the exception of the DORE Permitted Dividends. Bidco reserves the right to reduce the price payable for each Scheme Share pursuant to the Acquisition by up to the amount per Scheme Share of any dividends, other distributions or other returns of capital or value (with the exception of the DORE Permitted Dividends) authorised, declared, made or paid on or before the Effective Date. In such circumstances, Scheme Shareholders shall be entitled to retain any such dividend, other distribution or other return of capital or value authorised, declared, made or paid.

The Acquisition will be subject to the Conditions and certain further terms set out in Appendix 1 to this announcement and to the full terms and conditions which will be set out in the Scheme Document including, amongst other things: (i) the approval of Scheme Voting Shareholders at the Court Meeting and the passing of the Resolutions at the General Meeting; (ii) the sanction of the Scheme by the Court; (iii) the Scheme becoming Effective by no later than the Long Stop Date; and (iv) certain regulatory clearance conditions, as set out in paragraphs 3.1 – 3.4 of Part A of Appendix 1 to this announcement.

In order to become Effective, the Scheme must be approved by a majority in number of Scheme Voting Shareholders eligible to vote, representing at least 75 per cent. of the voting rights of Scheme Voting Shareholders eligible to vote, in each case present and voting, either in person or by proxy, at the Court Meeting and at any separate class meeting which may be required by the Court or at any adjournment of such meeting.

The Scheme Shares will be acquired by Bidco fully paid and free from all liens, equitable interests, charges, encumbrances, rights of pre-emption and any other third party rights or interests whatsoever and together with all rights existing at the date of this announcement or thereafter attaching thereto, including (without limitation) voting rights and the right to receive and retain, in full, all dividends and other distributions (if any) authorised, declared, made or paid or any other return of capital or value (whether by way of reduction of share capital or share premium account or otherwise) made on or after the date of this announcement, other than the DORE Permitted Dividends and any dividend, other distribution or return of capital or value in respect of which Bidco exercises its right under the terms of the Acquisition to reduce the consideration due under the terms of the Acquisition.

It is expected that the Scheme Document, containing full details of the Scheme and notices of the Court Meeting and General Meeting, together with the Forms of Proxy, will be sent to DORE Shareholders within 28 days of this announcement (or such later time as DORE, Bidco and the Panel may agree).

Subject to the satisfaction or, where applicable, waiver of the Conditions, it is expected that the Scheme will become Effective in the third or early in the fourth quarter of 2025. An expected timetable of key events relating to the Acquisition will be provided in the Scheme Document.

3. Background to, and reasons for, the Acquisition

Bagnall is a long-term private investor with a diverse portfolio of investments in renewable energy infrastructure assets. Bagnall has significant experience in the renewable energy infrastructure sector as it is already a substantial investor in solar power, wind power, hydropower and battery storage across the UK and Northern Europe. Bagnall has invested in renewable energy infrastructure assets since 2013, and its portfolio contains 8,649 renewable generation assets across 118 holdings.

The Bagnall Board believes that renewable energy infrastructure will be one of the most impactful and lasting investment themes in the foreseeable future, and DORE's renewable energy infrastructure assets are a compelling long-term investment opportunity that enhance portfolio diversification and enable investors to capitalise on the growing renewable energy sector. Alongside these benefits, renewable energy infrastructure assets help to reduce the impact of climate change through the generation of clean electricity, appealing to investors who are conscious of the environmental and the social impact of their investments.

As DORE's largest shareholder since DORE's IPO, the Bagnall Board is pleased by the progress made by DORE so far under the management of the Investment Manager. However, the adverse macroeconomic backdrop affecting DORE and many other alternative funds in the UK investment trust sector has resulted in DORE's shares consistently trading at a discount to DORE's NAV per share since the end of September 2022. The Bagnall Board believes that there can be no certainty or expectation that this discount can be materially reduced or for the DORE Share price to exceed the Offer Price in the medium-term.

The significant and persistent discount to NAV over the past 12 months has prevented DORE from issuing new shares to reach a more meaningful scale and has deterred buyers in the secondary market. The Bagnall Board believes that DORE's lack of scale currently presents a structural disadvantage and may impact DORE's efficiency and appeal, with higher operating costs reducing net returns for investors, limited liquidity deterring institutional investors and a lack of scale restricting DORE's ability to make new acquisitions. All of these factors may further hinder DORE's efforts to address its persistent discount to NAV.

The Bagnall Board wishes to maintain and increase Bagnall's exposure to DORE's portfolio and strategy and believes that DORE will achieve greater success as a private vehicle. The privatisation of DORE will also deliver immediate value crystallisation to DORE's existing shareholders. Bagnall is well placed to support DORE's existing portfolio as both companies have been managed by the Investment Manager since inception.

The Bagnall Board believes that the investment management team at the Investment Manager has managed the assets well, despite the constraints of the public markets. As such, Bagnall intends to continue DORE's focus on renewable energy infrastructure as an asset class.

The Bagnall Board considers that the Offer provides a compelling liquidity opportunity for all independent DORE Shareholders at a material premium to the DORE Share price as at the Latest Practicable Date.

4. Recommendation

The DORE Directors, who have been so advised by Singer Capital Markets as to the financial terms of the Offer, consider the terms of the Offer to be fair and reasonable. In providing its advice to the DORE Directors, Singer Capital Markets has taken into account the commercial assessments of the DORE Directors. Singer Capital Markets is providing independent financial advice to the DORE Directors for the purposes of Rule 3 of the Code.

The DORE Directors intend to unanimously recommend that Scheme Voting Shareholders vote (or procure the vote) in favour of the Scheme at the Court Meeting and DORE Shareholders vote (or procure the vote) in favour of the Resolutions to be proposed at the General Meeting (or, in the event that the Acquisition is implemented by way of a Takeover Offer, to accept or procure acceptance of the Takeover Offer), as they have irrevocably undertaken to do in respect of their own beneficial holdings of, in aggregate, 401,085 DORE Shares, which represent, in aggregate, approximately 0.23 per cent. of the issued ordinary share capital of DORE (excluding any shares held in treasury) and approximately 0.31 per cent. of the Scheme Voting Shares (being those Scheme Shares eligible to vote at the Court Meeting), in each case as at the Latest Practicable Date, as more fully described in Appendix 3 to this announcement.

5. Background to, and reasons for, the DORE Directors' recommendation of the Offer

DORE was launched in December 2020 to invest in a diversified portfolio of renewable energy and infrastructure assets in the UK, Ireland and Northern Europe to generate an attractive and sustainable level of income returns, with an element of capital growth. DORE has since assembled a high-quality portfolio comprising hydropower plants in Sweden and Iceland, operational solar PV installations

across Great Britain and Northern Ireland, an electricity distribution system operator, and a shunt reactor.

Since IPO, DORE has generated a NAV total return (including dividends reinvested) of 36.2 per cent. to 31 March 2025 (inclusive of the Q1 DORE Dividend announced on 20 May 2025), equivalent to an annualised NAV total return of 7.1 per cent., and against the medium-term target of 6.5 to 7.5 per cent. per annum set out at IPO. DORE has paid fully covered quarterly dividends, in line with or ahead of its annual target, with the dividend increasing at an average rate of 19 per cent. per annum. Active asset management has been a key driver of performance, exemplified by the successful sale of Gabrielsberget wind farm in Sweden, which crystallised a total return of c.54 per cent. over DORE's investment period. DORE ranks among the top performers in the UK-listed renewable energy sector in terms of NAV total return (including dividends reinvested) over the last three years to 31 December 2024.

The DORE Shares began trading at a share price discount to NAV from the end of 2022, prompting the DORE Board to initiate share buybacks in March 2023 as part of a broader effort to narrow the discount which culminated in a significant buyback programme returning £12 million to shareholders, equivalent to approximately 7.9 per cent. of DORE's issued share capital at the time the programme commenced.

Despite these efforts and the Investment Manager's successful execution of the investment strategy, DORE has continued to experience a prolonged dislocation of its share price from its NAV per share and NAV performance. DORE's discount to NAV widened from 3.57 per cent. at the start of January 2023 to 28.69 per cent. as at the Latest Practicable Date. During this period, UK-listed investment trusts have faced mounting challenges owing to elevated interest rates, which have disproportionately affected renewable energy and infrastructure assets. There has also been a shift in investor sentiment as investor funds are reallocated away from alternative assets towards areas offering better risk-adjusted returns. These dynamics have contributed to widening share price discounts to NAV across the sector with declining asset valuations and share prices falling even further. As at the Latest Practicable Date, the market capitalisation weighted average share price discount to NAV in the UK-listed renewable energy infrastructure sector was approximately 27 per cent., significantly wider than the sector's market capitalisation weighted average share price premium of approximately 10 per cent. at the end of December 2020, shortly after DORE was launched.

The DORE Board believes that the negative impact of the external headwinds on the renewable energy infrastructure sector has at times disproportionately affected DORE's share price discount to NAV given DORE is one of the smallest UK-listed investment funds amongst its peers. Trading at a persistent discount has limited DORE's ability to issue new shares to achieve sufficient scale. In the secondary market, DORE's subscale position has resulted in relatively low trading volumes, with average daily volumes of 427,183 shares, or 0.25 per cent. of the DORE issued share capital (excluding any shares held in treasury) over the last 12 months to the Latest Practicable Date, further reducing new buying interest in its shares.

In March 2025, DORE received an unsolicited indicative all-cash proposal from Bagnall regarding a possible offer for the entire issued, and to be issued, ordinary share capital of DORE not already owned by Bagnall. Following negotiation between the parties, the terms of the proposal were revised and improved. In assessing the Offer, the DORE Board considered DORE's prospects as a standalone

subscale investment trust, feedback from major shareholders, and Bagnall's position as DORE's largest shareholder.

While shareholders generally expressed broad satisfaction with DORE's NAV performance, many noted that the persistent discount to NAV is not sustainable over the medium to long-term. The DORE Board recognises that, given Bagnall's holding of approximately 25.35 per cent. of DORE's issued share capital (excluding any shares held in treasury), the emergence of a viable alternative proposal that excludes Bagnall as the acquirer is unlikely. The DORE Board also acknowledges Bagnall's position as a long-standing and supportive shareholder, noting that its activity in the secondary market has provided liquidity and has likely supported the DORE share price throughout January and February 2025. Furthermore, the DORE Board considers Bagnall to be a suitable long-term owner of DORE's portfolio in the interest of all stakeholders. DORE has both acquired assets from Bagnall (£41.5 million of seed assets shortly after its IPO) and disposed of assets to Bagnall (the Gabrielsberget wind farm from which DORE received £28.9 million from the sale proceeds and dividends during its period of ownership), demonstrating a history of constructive engagement and a thorough understanding of the inherent value of DORE's portfolio.

As the DORE Board retains its confidence in the Investment Manager and DORE's strategy, in the absence of the Acquisition, which is at a material premium to the share price, the DORE Board would be inclined to recommend to shareholders that DORE continue in its present form. The DORE Board believes that DORE's share price discount to NAV does not fairly reflect the value of the underlying assets, the performance of the portfolio, nor the portfolio's longer-term prospects. The DORE Board continually considers any appropriate actions to improve the share rating and maximise shareholder returns. However, it also acknowledges that various risks and uncertainties, many beyond DORE's control, are likely to persist in the short to medium-term. These factors may continue to weigh on the future share rating and, by extension, shareholder returns. As a result, the DORE Board does not expect a material narrowing of DORE's share price discount to NAV in the near-term.

In reaching its conclusion, the DORE Board has considered that the Offer Price of 102.6016 pence per DORE Share represents:

- a premium of approximately 23.62 per cent. to the Closing Price of 83.00 pence per DORE Share on 19 June 2025 (being the Latest Practicable Date); and
- a discount of approximately 7.46 per cent. to the Ex-Dividend 31 March 2025 NAV.

The DORE Board believes it is essential to evaluate the Offer in the context of weighing the structural challenges facing DORE as a small, relatively illiquid, listed vehicle, with the certainty of a cash exit that may not otherwise be achievable in the secondary market in the near-term.

Following careful consideration of the above factors and consultation with its financial adviser, Singer Capital Markets, the DORE Directors have concluded that the Offer is in the best interests of DORE Shareholders as a whole. Accordingly, the DORE Directors intend to unanimously recommend that

Scheme Voting Shareholders vote in favour of the Scheme at the Court Meeting and DORE Shareholders vote in favour of the Resolutions to be proposed at the General Meeting.

6. Irrevocable undertakings and letters of intent

Bidco has received commitments and indications of support for the Acquisition from DORE Shareholders in respect of 28,526,111 DORE Shares, which represent, in aggregate, approximately 16.76 per cent. of DORE's issued ordinary share capital (excluding any shares held in treasury) and approximately 22.54 per cent. of the Scheme Voting Shares, in each case as at the Latest Practicable Date.

These commitments and indications comprise irrevocable undertakings in respect of 13,850,934 DORE Shares, which represent, in aggregate, approximately 10.94 per cent. of the Scheme Voting Shares, and non-binding letters of intent in respect of 14,675,177 DORE Shares, which represent, in aggregate, approximately 11.60 per cent. of the Scheme Voting Shares, in each case as at the Latest Practicable Date.

The irrevocable undertakings include irrevocable undertakings received from each of the DORE Directors who hold DORE Shares to vote (or procure the vote): (i) in favour of the Scheme at the Court Meeting; and (ii) in favour of the Resolutions to be proposed at the General Meeting (or, in the event that the Acquisition is implemented by way of a Takeover Offer, to accept or procure acceptance of the Takeover Offer) in respect of their entire respective beneficial holdings of Scheme Shares. In aggregate, this represents 401,085 DORE Shares, being all of the DORE Shares currently beneficially held by such DORE Directors, and approximately 0.31 per cent. of the Scheme Voting Shares as at the Latest Practicable Date.

These commitments and undertakings also include irrevocable undertakings received from T.Choithram & Sons, Human Capability Foundation and Downing Sustainable Investments I and non-binding letters of intent from Hawksmoor Investment Management, FS Wealth Management and Tyndall Investment Management, in each case to vote (or to procure the vote) (i) in favour of the Scheme at the Court Meeting and (ii) in favour of the Resolutions to be proposed at the General Meeting (or, in the event that the Acquisition is implemented by way of a Takeover Offer, to accept or procure acceptance of the Takeover Offer) in respect of their entire respective beneficial holdings of Scheme Shares. In aggregate, such irrevocable undertakings represent 13,449,849 DORE Shares and approximately 10.63 per cent. of the Scheme Voting Shares as at the Latest Practicable Date. The non-binding letters of intent represent, in aggregate, 14,675,177 DORE Shares and approximately 11.60 per cent. of the Scheme Voting Shares as at the Latest Practicable Date.

Further details of the irrevocable undertakings (including the circumstances in which they may lapse) and the non-binding letters of intent are set out in Appendix 3 to this announcement.

Bidco's registered office is at 10 Lower Thames Street, London EC3R 6AF. Bidco is a wholly-owned subsidiary of Bagnall and was formed for the purpose of implementing the Acquisition. Bidco has not traded or entered into any obligations other than in connection with the Acquisition. Bidco has not paid any dividends or prepared any historical financial statements. In the event that the Scheme becomes Effective, DORE will represent all or substantially all of the earnings, assets and liabilities of Bidco, save for the liabilities incurred in connection with the Acquisition.

The directors of Bidco are Ingrid Edmund, Sean Moore and Thames Street Services Limited (a private limited company incorporated and registered in England and Wales on 3 December 2019 with company number 12345079). Each director shall remain a director of Bidco in the event that the Scheme becomes Effective.

Bagnall is the holding company of Bidco, and its principal activity is to act as a holding company for unquoted trading companies in which it has an equity stake which are backed by renewable energy generation and related infrastructure assets. Bagnall aims to preserve capital and deliver a steady return to its investors through income generation and capital appreciation. The directors of Bagnall are James Watson (independent non-executive director and Chair), Roberto Castiglioni (independent non-executive director), Javier Cavada Camino (independent non-executive director) and Tony McGing (executive director and CEO of the Investment Manager). Bagnall held 43,135,056 DORE Shares, representing approximately 25.35 per cent. of DORE's issued ordinary share capital (excluding any shares held in treasury) as at the Latest Practicable Date. The issued ordinary share capital of Bagnall is held by TT Nominees Limited as nominee for the underlying beneficial investors in Bagnall, which comprised approximately 5,500 private investors as at the Latest Practicable Date.

The Investment Manager acts as discretionary investment manager of, and provides certain administration services to, Bagnall. The Investment Manager also acts as investment manager to DORE.

Pursuant to an existing fee arrangement put in place over five years ago between Bagnall and the Investment Manager (in its capacity as investment manager to Bagnall), Bagnall shall pay to the Investment Manager (in such capacity) an arrangement fee equal to two per cent. of the aggregate amount that Bagnall, through Bidco in the context of the Acquisition, will pay (including in respect of associated costs incurred) to acquire DORE Shares pursuant to the Acquisition and has paid in respect of prior purchases of DORE Shares by Bagnall starting from DORE's IPO.

9. Information relating to the Investment Manager's group

The Investment Manager's ultimate parent company is Downing Group LLP, a limited liability partnership incorporated and registered in England and Wales on 17 January 2022 with company number OC440659. The Investment Manager's business was founded in 1986 and it principally invests in businesses and assets in the renewable energy, infrastructure, property and healthcare sectors. As at 31 December 2024 it had £2.1 billion of assets under management.

10. Dividends

As announced on 20 May 2025, DORE will pay the Q1 DORE Dividend on or around 27 June 2025 to DORE Shareholders that were on DORE's register of members on 30 May 2025. DORE Shareholders that were on DORE's register of members at that time will be entitled to receive and retain the Q1 DORE Dividend in full.

In addition, should the Effective Date fall after 31 August 2025, DORE intends to declare the Special Dividend of 0.5 pence per DORE Share, such dividend to be declared and paid prior to the Effective Date. DORE Shareholders shall be entitled to receive and retain any such Special Dividend (in addition to the Q1 DORE Dividend) without any corresponding reduction to the consideration payable by Bidco for each Scheme Share under the Acquisition.

The terms of the Acquisition are based on the assumption that no dividends, other distributions or other returns of capital or value will be authorised, declared, made or paid on or before the Effective Date with the exception of the DORE Permitted Dividends. Bidco reserves the right to reduce the price payable for each Scheme Share pursuant to the Acquisition by up to the amount per Scheme Share of any dividends, other distributions or other returns of capital or value (with the exception of the DORE Permitted Dividends) authorised, declared, made or paid on or before the Effective Date. In such circumstances, Scheme Shareholders shall be entitled to retain any such dividend, other distribution or other return of capital or value authorised, declared, made or paid.

11. Intentions with regard to the business of DORE

Strategic plans

Bagnall is committed to renewable energy infrastructure as an asset class and wishes to continue to invest in this sector following the acquisition of DORE.

Bagnall recognises the quality of DORE's portfolio and, from the Effective Date, Bagnall therefore expects to continue DORE's stated strategy of investing in a diversified portfolio of hydropower, solar and other infrastructure assets across the UK, Ireland and Northern Europe. DORE's stated aim of achieving a diversified set of long-term, resilient and predictable revenues by investing in projects in varied geographies, with different technologies, asset lives and yield profiles will be continued under the management of its current portfolio managers, with the DORE portfolio being rebalanced, if necessary, in accordance with Bagnall's investment targets.

Board composition and governance arrangements

The Bagnall Board intends to delist DORE immediately following the Effective Date. Consequently, DORE will not require listed company governance structures following the Effective Date, and it is intended that each of the DORE Directors will step down from the DORE Board upon the Effective Date.

Employees

As an externally managed UK investment trust, DORE does not have any employees and, therefore, does not operate any pension schemes, nor does it have any arrangements in place for any employee involvement in its capital. However, DORE's indirect subsidiary, Tunsjons Kraft AB, employs one individual in an operational role. Bagnall recognises that this employee will continue to be an important factor in maximising the success of Tunsjons Kraft AB and does not expect or intend for the Acquisition to have any impact on their continued employment. Were Bagnall to consider any such changes, it intends to consult with the employee and/or their representatives (as applicable) as required by applicable law.

It is intended that ongoing operational transactions, contractual arrangements and other operational matters will progress on a business as usual basis during the Offer Period and once completion of the Acquisition has taken place.

Fixed assets, research and development

DORE's registered office is the business address of DORE's registrar at Central Square, 29 Wellington Street, Leeds LS1 4DL. DORE's portfolio is principally managed by Tom Williams, Henrik Dahlström and Tom Moore, assisted by members of the Investment Manager's wider Energy and Infrastructure team, from the Investment Manager's office at 10 Lower Thames Street, London EC3R 6AF. Together, these are DORE's principal places of business. As DORE itself does not have any employees, it does not consider itself to have a headquarters.

DORE's fixed assets are represented by its investment portfolio of renewable energy infrastructure assets. DORE does not have a research and development function.

Investment management arrangements

DORE entered into an investment management agreement amongst the Investment Manager, DORE and the DORE AIFM (the "**DORE Investment Management Agreement**") on 30 January 2024. Under the terms of the DORE Investment Management Agreement, the Investment Manager has been appointed to act as discretionary portfolio manager to DORE, subject to the overall supervision of the DORE Board. Pursuant to the DORE Investment Management Agreement, the Investment Manager receives a management fee, payable quarterly, of: 0.95 per cent. of DORE's NAV up to and including £500,000,000; and 0.85 per cent. of DORE's NAV above £500,000,000, to be applied incrementally and not as against DORE's total NAV. The Investment Manager does not receive a performance fee. The DORE Investment Management Agreement contains customary indemnities given by DORE in favour of the Investment Manager.

In order to assist with the orderly assimilation of DORE's portfolio into the wider Bagnall group, Bagnall intends to retain the services of the Investment Manager as investment manager to DORE under the terms of the DORE Investment Management Agreement for a short transitional period, save that

certain terms are expected to be changed pursuant to the A&R IMA Heads of Terms (as defined below) so as to reflect: (i) DORE being in private ownership as opposed to having its ordinary shares listed on the Official List and traded on the London Stock Exchange's main market for listed securities; (ii) the Investment Manager agreeing to waive 50 per cent. of the fees to which it is contractually entitled under the terms of the DORE Investment Management Agreement following the Effective Date; and (iii) certain other consequential changes.

It is expected that the senior individuals at the Investment Manager responsible for providing the services to DORE will remain the principal individuals at the Investment Manager responsible for managing the DORE portfolio. The Bagnall Board attaches great importance to the skills and experience of these individuals and believes they will be a key factor in maximising the success of DORE following the Effective Date. They will continue to be supported in their roles as lead portfolio managers by such of the Investment Manager's staff as is deemed necessary from time to time.

The separate asset management services agreements entered into between the DORE Asset Manager (the ultimate parent company of which is also Downing Group LLP) and each special purpose vehicle controlled by DORE to hold DORE's renewable energy infrastructure assets are expected to remain in effect after the Effective Date.

Listing and trading facilities

It is intended that dealings in, and registration of transfers of, DORE Shares (other than the registration of the transfer of the Scheme Shares to Bidco pursuant to the Scheme) will be suspended shortly before the Effective Date at a time to be set out in the Scheme Document. It is further intended that applications will be made to the London Stock Exchange to cancel trading in the DORE Shares on the London Stock Exchange's main market for listed securities, and to the FCA to cancel the listing of the DORE Shares on the Official List, in each case with effect from, or shortly following, the Effective Date.

Further details about the de-listing and cancellation of trading of the DORE Shares can be found in paragraph 16 of this announcement.

No statements in this paragraph 11 are “post-offer undertakings” for the purposes of Rule 19.5 of the Code.

12. Financing of the Acquisition

The cash consideration payable by Bidco pursuant to the Acquisition will be funded from a combination of: (i) the existing cash resources of Bagnall, which include proceeds received by Bagnall from the issue of the Bagnall Unsecured Floating Rate Bonds to certain investors who are interested in DORE Shares (summarised below); and (ii) funds drawn down by Bagnall under the Bagnall Revolving Credit Facility. Bagnall has made those cash resources available to Bidco by way of an intercompany loan.

Between 22 – 27 May 2025, T.Choithram & Sons and The Greencliffe Foundation made an investment in Bagnall's portfolio of assets by subscribing (through their nominee, Downing Nominees Limited) for £18,000,000 and £3,900,000 Bagnall Unsecured Floating Rate Bonds respectively, subject to the terms and conditions set out in the Bagnall Unsecured Floating Rate Instrument. Under the terms of the Bagnall Unsecured Floating Rate Instrument, the Bagnall Unsecured Floating Rate Bonds shall mature 18 months after their date of issue, and for so long as they remain outstanding interest shall be payable

on the par value of the Bagnall Unsecured Floating Rate Bonds at a rate of (i) 2.75 per cent. per annum over SONIA should the aggregate par value of the Bagnall Unsecured Floating Rate Bonds be less than or equal to £15,000,000; or (ii) 3 per cent. per annum over SONIA should the aggregate par value of the Bagnall Unsecured Floating Rate Bonds exceed £15,000,000. Pursuant to the terms of the Bagnall Unsecured Floating Rate Instrument, Bagnall is required to pay to the Investment Manager an arrangement fee equal to 1 per cent. of the aggregate principal amount of the Bagnall Unsecured Floating Rate Bonds in connection with the arranging and issue of the Bagnall Unsecured Floating Rate Bonds.

In connection with Rule 16.1 of the Code, Singer Capital Markets has reviewed the terms of the Bagnall Unsecured Floating Rate Bonds together with other information deemed relevant and advised DORE that, in its opinion, the terms of the Bagnall Unsecured Floating Rate Bonds, including the associated arrangement fee payable to the Investment Manager, are on market terms and are fair and reasonable as far as independent DORE Shareholders are concerned. Singer Capital Markets is acting as the independent financial adviser to DORE for the purposes of Rule 3 of the Code.

Further information on the financing of the Acquisition will be set out in the Scheme Document.

Dickson Minto Advisers, in its capacity as financial adviser to Bidco and Bagnall, confirms that it is satisfied that sufficient financial resources are available to Bidco to enable it to satisfy in full the cash consideration payable to Scheme Shareholders under the terms of the Acquisition.

All fees, costs and expenses incurred by members of the Bagnall Group in connection with the Acquisition will be met from the existing cash resources of the Bagnall Group.

13. Offer-related arrangements

Co-operation Agreement

On 20 June 2025, DORE, Bagnall and Bidco entered into a co-operation agreement in relation to the Acquisition (the "**Co-operation Agreement**"), pursuant to which, among other things: (i) DORE and Bidco have agreed to provide each other with all reasonable information and assistance required to obtain the applicable regulatory clearance Conditions; (ii) Bagnall and Bidco have agreed to assist DORE with the preparation of the Scheme Document; and (iii) DORE and Bidco have agreed to certain provisions if the Scheme should switch to a Takeover Offer.

The Co-operation Agreement will terminate:

- (i) if agreed in writing between the parties at any time prior to the Effective Date;
- (ii) if this announcement is not released via a Regulatory Information Service by 5.30 p.m. on the date of the Co-operation Agreement;
- (iii) upon written notice from Bidco to DORE if an Adverse Recommendation Change (as defined in the Co-operation Agreement) occurs; and
- (iv) upon written notice from Bidco to DORE or DORE to Bidco, if: (A) prior to the Long Stop Date, any Condition has been invoked by Bidco (where the invocation of the relevant Condition is permitted by the Panel); (B) a Competing Proposal (as defined in the Co-operation

Agreement) is: (1) recommended by the DORE Board or any committee thereof or (2) completes, becomes effective or is declared or becomes unconditional; (C) the Acquisition is, with the permission of the Panel (if required), terminated, withdrawn or lapses in accordance with its terms prior to the Long Stop Date (other than where such lapse or withdrawal is as a result of the exercise of Bidco's right to effect a Switch (as defined in the Co-operation Agreement) and such Switch is an Agreed Switch (as defined in the Co-operation Agreement)); (D) the Scheme is not approved by the requisite majority of the Scheme Voting Shareholders at the Court Meeting, the Resolutions are not passed by the requisite majority of the DORE Shareholders at the General Meeting, or the Court refuses to sanction the Scheme and, in any such case, within two Business Days of a request from Bidco following such occurrence, DORE fails to give its consent to implement the Acquisition by way of a Takeover Offer rather than the Scheme; (E) the Court Meeting or the General Meeting or the Court Hearing is/are not held on or before the 22nd day after the expected date of such meeting or hearing as may be set out in the Scheme Document (or such later date as may be agreed in writing between the parties with the consent of the Panel and the approval of the Court (if such approval is required)); or (F) unless otherwise agreed by the parties in writing, the Effective Date has not occurred by the Long Stop Date.

The above summary of the Co-operation Agreement does not purport to be complete and is subject to, and qualified in its entirety by, the text of the Co-operation Agreement, which is available for inspection as described in paragraph 20 of this announcement.

Non-disclosure Agreement

On 30 April 2025, Bagnall and DORE entered into a non-disclosure agreement (the "**Non-disclosure Agreement**") in relation to the Acquisition, pursuant to which, amongst other things, both parties have undertaken to: (a) subject to certain exceptions, keep information relating to the other party and the Acquisition confidential and not to disclose it to third parties; and (b) use such confidential information only in connection with the Acquisition. These confidentiality obligations will remain in force until the earlier of: (i) 12 months from the date of the Non-disclosure Agreement (except to the extent that the confidential information relates to the existence and contents of discussions about the Acquisition, in relation to which the confidentiality obligations will remain in force until 18 months from the date of the Non-disclosure Agreement); or (ii) the completion of the Acquisition.

The A&R IMA Heads of Terms

Bagnall and the Investment Manager have entered into non-legally binding heads of terms dated 13 June 2025 (the "**A&R IMA Heads of Terms**") pursuant to which it is proposed that, conditional upon and with effect from the Acquisition becoming Effective, and subject to the approval of DORE and the AIFM as necessary, the DORE Investment Management Agreement will be amended and restated so as to reflect: (i) the AIFM no longer being a party to that agreement; (ii) the fact that the DORE Shares will no longer be traded on the London Stock Exchange's main market for listed securities; (iii) that the fees payable to the Investment Manager in respect of the services it provides to DORE pursuant to the DORE Investment Management Agreement following the Effective Date will be reduced by 50 per cent. from those that it is contractually entitled to under the DORE Investment Management Agreement; and (iv) other consequential changes in the light of the foregoing. All other terms of the DORE Investment Management Agreement are expected to remain in place.

14. Structure of and conditions to the Acquisition

It is intended that the Acquisition will be implemented by means of a Court-sanctioned scheme of arrangement between DORE and Scheme Shareholders under Part 26 of the Companies Act (although Bidco reserves the right to implement the Acquisition by way of a Takeover Offer, subject to the consent of the Panel and the terms of the Co-operation Agreement).

The purpose of the Scheme is to provide for Bidco to become the holder of the entire issued and to be issued ordinary share capital of DORE not already owned by the Bagnall Group. This is to be achieved by the transfer of Scheme Shares to Bidco in consideration for which Scheme Shareholders will receive cash consideration due under the Offer. The transfer to Bidco of the Scheme Shares is intended to result in DORE becoming a wholly-owned subsidiary of Bidco. Immediately upon completion of the Scheme, it is expected that Bagnall will transfer its existing holding of DORE Shares to Bidco in exchange for the issue of ordinary shares in Bidco to Bagnall.

Conditions to the Acquisition

The Scheme is subject to the Conditions and certain further terms set out in Appendix 1 to this announcement and to the full terms and conditions that will be set out in the Scheme Document. In particular, the Scheme will only become Effective if, amongst other things, the following events occur on or before 11.59 p.m. (London time) on the Long Stop Date:

- (a) the approval of the Scheme by a majority in number of Scheme Voting Shareholders eligible to vote, representing at least 75 per cent. of the voting rights of the Scheme Voting Shareholders eligible to vote, in each case present and voting, either in person or by proxy, at the Court Meeting;
- (b) the Resolutions being duly passed at the General Meeting;
- (c) the sanction of the Scheme by the Court (with or without modification but subject to any modification being on terms acceptable to DORE and Bidco);
- (d) following the sanction by the Court, a copy of the Court Order being delivered to the Registrar of Companies;
- (e) the satisfaction (or, where applicable, waiver) of the NSIA Condition;
- (f) the satisfaction (or, where applicable, waiver) of the OFGEM Condition;
- (g) the satisfaction (or, where applicable, waiver) of the Swedish Foreign Direct Investment Condition;
- (h) the satisfaction (or, where applicable, waiver) of the Icelandic Foreign Direct Investment Condition; and
- (i) all other Conditions to the Scheme being satisfied or (where applicable) waived.

The Scheme Shares held by Tony McGing (a director of Bagnall), Elaine McGing (Mr McGing's spouse) and Niall O'Reilly (company secretary to Bagnall) are not Scheme Voting Shares as each of Mr

McGing, Mrs McGing and Mr O'Reilly has consented to be treated as a separate class of Scheme Shareholder not entitled to vote such Scheme Shares at the Court Meeting, but they will be permitted to vote such Scheme Shares at the General Meeting. Upon the Scheme becoming Effective, the Scheme Shares held by Mr McGing, Mrs McGing and Mr O'Reilly will be acquired by Bidco pursuant to, and on the terms of, the Scheme.

Additionally, the Scheme will lapse if, amongst other things:

- (a) the Court Meeting and/or the General Meeting is not held by the 22nd day after the expected date of such meeting, which will be set out in the Scheme Document in due course (or such later date as may be agreed between Bidco and DORE with the consent of the Panel and, in the case of the Court Meeting, as the Court may allow); or
- (b) the Court Hearing is not held by the 22nd day after the expected date of such hearing, which will be set out in the Scheme Document in due course (or such later date as may be agreed between Bidco and DORE with the consent of the Panel, and as the Court may allow); or
- (c) the Scheme does not become Effective by 11.59 p.m. (London time) on the Long Stop Date.

Upon the Scheme becoming Effective: (a) it will be binding on all Scheme Shareholders, irrespective of whether or not they attended or voted at the Court Meeting or the General Meeting (and, if they attended and voted, whether or not they voted in favour); and (b) share certificates in respect of Scheme Shares will cease to be of value and should be destroyed and entitlements to Scheme Shares held within the CREST system will be cancelled. The cash consideration payable under the Scheme will be despatched to Scheme Shareholders no later than 14 days after the Effective Date.

Full details of the Scheme will be included in the Scheme Document, together with notices of the Court Meeting and the General Meeting. The Scheme Document will also contain the expected timetable for the Acquisition and will specify the necessary actions to be taken by Scheme Shareholders. It is expected that the Scheme Document, together with the Forms of Proxy, will be posted to DORE Shareholders and, for information only, to persons with information rights within 28 days of this announcement (or such later time as Bidco, DORE and the Panel may agree). Subject, amongst other things, to the satisfaction or (where applicable) waiver of the Conditions, it is expected that the Scheme will become Effective in the third or early in the fourth quarter of 2025.

The Scheme will be governed by English law and will be subject to the jurisdiction of the Court. The Scheme will also be subject to the applicable requirements of the Companies Act, the Court, the Code, the Panel, the FCA, the London Stock Exchange and the Registrar of Companies.

There are no agreements or arrangements to which Bidco is a party which relate to the circumstances in which it may or may not invoke or seek to invoke a Condition of the Acquisition.

15. Right to switch to a Takeover Offer

Bidco reserves the right to elect, with the consent of the Panel (and subject to the terms of the Co-operation Agreement), to implement the Acquisition by way of a Takeover Offer for the entire issued and to be issued ordinary share capital of DORE not already held by the Bagnall Group as an alternative to the Scheme.

In such an event, the Acquisition will be implemented on the same terms and conditions, so far as applicable, as those which would apply to the Scheme (subject to appropriate amendments for an acquisition being made by way of a Takeover Offer, including (without limitation) the inclusion of an acceptance condition set at 90 per cent. of the DORE Shares to which the Takeover Offer relates (or such lesser percentage as may be determined by Bidco after consultation with the Panel (if necessary), being, in any case, more than 50 per cent. of the voting rights normally exercisable at a general meeting of DORE, including, for this purpose, any such voting rights attaching to DORE Shares that are issued before the Takeover Offer becomes or is declared unconditional, whether pursuant to the exercise of any outstanding subscription or conversion rights or otherwise)). Further, if sufficient acceptances of the Takeover Offer are received and/or sufficient DORE Shares are otherwise acquired, it is the intention of Bidco to apply the provisions of the Companies Act to compulsorily acquire any outstanding DORE Shares to which the Takeover Offer relates.

16. De-listing and re-registration

It is intended that dealings in DORE Shares will be suspended on or shortly before the Effective Date at a time to be set out in the Scheme Document. It is further intended that an application will be made to each of the London Stock Exchange and the FCA to cancel trading in DORE Shares on the London Stock Exchange's main market for listed securities and to remove the listing of the DORE Shares from the Official List, respectively, with effect from or shortly after the Effective Date.

The last day of dealing in DORE Shares on the London Stock Exchange's main market for listed securities is currently expected to be the Business Day immediately prior to the Effective Date and it is currently intended that no transfers will be registered after 6.00 p.m. (London time) on that date.

Share certificates in respect of DORE Shares will cease to be valid and should be destroyed on the Effective Date. In addition, entitlements held within CREST to DORE Shares will be cancelled on the Effective Date.

It is Bidco's intention that, as soon as practicable following de-listing, DORE will be re-registered as a private limited company.

17. Disclosure of interests in DORE

As at the Latest Practicable Date, other than: (i) the disclosures set out in this paragraph 17; and (ii) the irrevocable undertakings and letters of intent referred to in paragraph 6 of this announcement, none of Bidco, or any of its directors or, so far as Bidco is aware, any person acting, or deemed to be acting, in concert with Bidco, had:

- (a) an interest in, or right to subscribe for, relevant securities of DORE;
- (b) any short position in (whether conditional or absolute and whether in the money or otherwise), including any short position under a derivative, any agreement to sell or any delivery obligation or right to require another person to purchase or take delivery of, relevant securities of DORE;
- (c) procured an irrevocable commitment or letter of intent to accept the terms of the Acquisition in respect of relevant securities of DORE; or

- (d) borrowed, lent or entered into any financial collateral arrangements or dealing arrangements of the kind referred to in Note 11 on the definition of acting in concert in the Code in respect of any relevant securities of DORE.

Other than the irrevocable undertakings described in paragraph 6 of this announcement, no arrangement exists between Bidco or DORE or any person acting in concert with Bidco or DORE in relation to DORE Shares. For these purposes, an arrangement includes any indemnity or option arrangement, and any agreement or any understanding, formal or informal, of whatever nature, relating to DORE Shares which may be an inducement to deal or refrain from dealing in such securities.

Holdings in DORE held by Bidco and its concert parties

As at the Latest Practicable Date, the following interests in relevant securities of DORE were held by, or on behalf of, the following persons or entities who are deemed to be acting in concert with Bidco under the Code for the purposes of the Acquisition:

- (b) the Investment Manager beneficially owns, in aggregate, 1,276,361 DORE Shares;

In this paragraph 17:

- **"relevant securities of DORE"** means DORE Shares and securities convertible or exchangeable into DORE Shares; and
- **"interests in securities"** arise, in summary, when a person has a long economic exposure, whether absolute or conditional, to changes in the price of securities (and a person who only has a short position in securities is not treated as interested in those securities). In particular, a person will be treated as having an 'interest' by virtue of the ownership, voting rights or control of securities, or by virtue of any agreement to purchase, option in respect of, or derivative referenced to, securities.

18. Overseas shareholders

The availability of the Acquisition and the distribution of this announcement to persons resident in, or citizens of, or otherwise subject to, jurisdictions outside the United Kingdom may be affected by the laws of the relevant jurisdictions. Such persons should inform themselves of, and observe, any applicable legal or regulatory requirements of their jurisdiction. DORE Shareholders who are in any doubt regarding such matters should consult an appropriate independent professional adviser in the relevant jurisdiction without delay.

This announcement is not intended to, and does not, constitute or form part of any offer to sell or to subscribe for, or any invitation to purchase or subscribe for, or the solicitation of any offer to purchase or otherwise subscribe for, any securities. DORE Shareholders are advised to read carefully the Scheme Document and the Forms of Proxy once these have been despatched.

Further information for DORE Shareholders resident, or located, in overseas jurisdictions will be set out in the Scheme Document.

19. General

The Scheme Document and the Forms of Proxy accompanying the Scheme Document are expected to be sent to DORE Shareholders within 28 days of this announcement (or such later time as Bidco, DORE and the Panel may agree). A copy of the Scheme Document is also expected to be sent (for information only) to persons with information rights at the same time as it is posted to DORE Shareholders.

The Acquisition will be subject to the Conditions and further terms set out in Appendix 1 to this announcement and to the full terms and conditions which will be set out in the Scheme Document. The sources and bases of calculation of certain information contained in this announcement are set out in Appendix 2 to this announcement. Details of the irrevocable undertakings and the letters of intent given in relation to the Acquisition are set out in Appendix 3 to this announcement. The valuation report in respect of DORE's portfolio of renewable energy infrastructure assets from Forvis Mazars LLP confirming the valuation as at 31 March 2025, prepared by the Investment Manager in connection with the 31 March 2025 NAV published by DORE on 20 June 2025, is set out in Appendix 4 pursuant to

Rule 29 of the Code. Certain definitions and terms used in this announcement are set out in Appendix 5 to this announcement.

In deciding whether or not to vote or procure votes to approve the Scheme at the Court Meeting or to vote or procure votes in favour of the Resolutions at the General Meeting in respect of their DORE Shares, DORE Shareholders who are eligible to vote at such meetings should rely on the information contained, and follow the procedures described, in the Scheme Document.

Prior to the Effective Date, in the event that the renewable energy infrastructure assets within DORE's portfolio were to be sold at the valuation reported on in the valuation report set out in Appendix 4 to this announcement, any gains realised on such disposals may, in certain circumstances, be subject to taxation in the applicable jurisdiction (save where any exemptions and/or reliefs apply). If DORE were to dispose of its entire portfolio of renewable energy infrastructure assets it would seek to do so, where possible, by the sale of the shares in a direct underlying subsidiary which holds such assets. As an investment trust for the purposes of UK taxation, DORE would generally be exempt from UK corporation tax on any gains realised from such disposal. In connection with the Acquisition, it is not contemplated that any aforementioned liability to taxation will crystallise.

Dickson Minto Advisers and Singer Capital Markets have each given and not withdrawn their consent to the publication of this announcement with the inclusion herein of the references to their names in the form and context in which they appear.

Forvis Mazars LLP has given and not withdrawn its consent to the publication of the valuation report in this announcement with the inclusion herein to the references to its name and, where applicable, report in the form and context in which it is included.

For the purposes of Rule 29.5 of the Code, the DORE Board confirms that Forvis Mazars LLP has confirmed to it that an updated valuation of DORE's portfolio of renewable energy infrastructure assets as at the date of this announcement would not be materially different from the valuation as at 31 March 2025 confirmed by Forvis Mazars LLP in the valuation report set out in Appendix 4 to this announcement.

Further information

This announcement is for information purposes only. It is not intended to, and does not, constitute or form part of any offer, invitation or the solicitation of an offer to purchase, otherwise acquire, subscribe for, sell or otherwise dispose of any securities or the solicitation of any vote or approval in any jurisdiction pursuant to the Acquisition or otherwise, nor shall there be any sale, issuance or transfer of securities in DORE in any jurisdiction in contravention of applicable law. The Acquisition will be made solely through the Scheme Document (or, in the event that the Acquisition is to be implemented by means of a Takeover Offer, the Offer Document), which will contain the full terms and conditions of the Acquisition, including details of how to vote in respect of the Scheme. Any voting decision or response in relation to the Acquisition should be made solely

on the basis of the Scheme Document (or, in the event that the Acquisition is to be implemented by means of a Takeover Offer, the Offer Document). DORE and Bidco urge DORE Shareholders to read the Scheme Document carefully when it becomes available because it will contain important information relating to the Acquisition.

The statements contained in this announcement are made as at the date of this announcement, unless some other time is specified in relation to them, and the release of this announcement shall not give rise to any implication that there has been no change in the facts set out in this announcement since such date. This announcement does not constitute a prospectus or a prospectus equivalent document.

No person should construe the contents of this announcement as legal, financial or tax advice. If you are in any doubt about the contents of this announcement or the action you should take, you are recommended to seek your own independent financial advice immediately from your stockbroker, bank manager, solicitor, accountant, or independent financial adviser duly authorised under FSMA if you are resident in the United Kingdom or, if not, from another appropriately authorised independent financial adviser.

Overseas shareholders

This announcement has been prepared in accordance with, and for the purpose of, complying with English law, the Code, MAR and the DTRs, and the information disclosed may not be the same as that which would have been disclosed if this announcement had been prepared in accordance with the laws of jurisdictions outside England.

The release, publication or distribution of this announcement in, into or from jurisdictions other than the United Kingdom may be restricted by law and/or regulation and therefore any persons who are not resident in the United Kingdom or who are subject to the laws of any jurisdiction other than the United Kingdom (including Restricted Jurisdictions) should inform themselves about, and observe, any applicable legal or regulatory requirements. In particular, the ability of persons who are not resident in the United Kingdom or who are subject to the laws of any jurisdiction other than the United Kingdom to participate in the Acquisition or to vote their Scheme Voting Shares or DORE Shares (as applicable) in respect of the Scheme at the Court Meeting or the Resolutions at the General Meeting, or to appoint another person as proxy to vote at the Court Meeting or the General Meeting on their behalf, may be affected by the laws of the jurisdictions in which they are located or to which they are subject. Any failure to comply with applicable legal or regulatory requirements of any jurisdiction may constitute a violation of securities laws in that jurisdiction. To the fullest extent permitted by applicable law, the companies, advisers and persons involved in the Acquisition disclaim any responsibility or liability for the violation of such restrictions by any person.

Unless otherwise determined by Bidco or required by the Code, and permitted by applicable law and regulation, the Acquisition shall not be made available, directly or indirectly, in, into or from a Restricted Jurisdiction or any other jurisdiction where to do so would violate the laws or regulations in that jurisdiction and no person may vote in favour of the Acquisition by use of the mails or any other means or instrumentality (including, without limitation, facsimile, e-mail or other electronic transmission, telex or telephone) of interstate or foreign commerce of, or any facility of a national, state or other securities exchange of, any Restricted Jurisdiction or from within a Restricted Jurisdiction or any other jurisdiction if to do so would constitute a violation of the laws of that jurisdiction.

Copies of this announcement and any formal documentation relating to the Acquisition are not being, and must not be, directly or indirectly, mailed or otherwise forwarded, distributed or sent in, into or from any Restricted Jurisdiction or any other jurisdiction where to do so would constitute a violation of the laws or regulations of such jurisdiction and persons receiving such documents (including custodians, nominees and trustees) must not mail or otherwise forward, distribute or send them in, into or from any Restricted Jurisdiction or any other jurisdiction where to do so would constitute a violation of the laws or regulations of such jurisdiction. Doing so may render invalid any related purported vote in respect of, or acceptance of, the Acquisition.

If the Acquisition is implemented by way of a Takeover Offer (unless otherwise permitted by applicable law or regulation), the Takeover Offer may not be made, directly or indirectly, in or into, or by use of the mails or any other means or instrumentality (including, without limitation, facsimile, e-mail or other electronic transmission, telex or telephone) of interstate or foreign commerce of, or any facility of a national, state or other securities exchange of, any Restricted Jurisdiction and the Takeover Offer will not be capable of acceptance by any such use, means, instrumentality or facility or from within any Restricted Jurisdiction.

The availability of the Acquisition to DORE Shareholders who are not resident in the United Kingdom may be affected by the laws of the jurisdiction in which they are resident. Persons who are not resident in the United Kingdom should inform themselves of, and observe, any applicable requirements.

Further details in relation to DORE Shareholders in overseas jurisdictions will be contained in the Scheme Document.

The Acquisition will be subject to the applicable requirements of the Companies Act, the Court, the Code, the Panel, the FCA, the London Stock Exchange and the Registrar of Companies.

Additional information for US investors

The Acquisition relates to the shares of an English company and is expected to be implemented by means of a scheme of arrangement provided for under the Companies Act. A transaction implemented by means of a scheme of arrangement is not subject to the tender offer rules or the proxy solicitation rules under the US Exchange Act. The Acquisition is subject to the disclosure requirements and practices applicable to a scheme of arrangement involving a target company in England whose shares are traded on the main market of the London Stock Exchange, which differ from the disclosure requirements of the US tender offer and proxy solicitation rules.

The financial information with respect to DORE included in this announcement and the Scheme Document (or, if the Acquisition is implemented by way of a Takeover Offer, the Offer Document) has been or will have been prepared in accordance with accounting standards applicable in the UK and may not therefore be comparable to the financial information of US companies or companies whose financial statements are prepared in accordance with generally accepted accounting principles in the US. Generally accepted accounting principles in the US differ in certain significant respects from accounting standards applicable in the UK.

If, in the future, Bidco exercises its right to implement the Acquisition by way of a Takeover Offer and determines to extend the Takeover Offer into the US, the Acquisition will be made in compliance with applicable US laws and regulations, including Section 14(e) of the US Exchange Act and Regulation 14E thereunder.

The receipt of cash pursuant to the Acquisition by US DORE Shareholders as consideration for the transfer of DORE Shares pursuant to the Scheme may be a taxable transaction for US federal income tax purposes and

under applicable US state and local, as well as foreign and other, tax laws. Each DORE Shareholder (including each US DORE Shareholder) is urged to consult their own independent professional adviser immediately regarding the legal and tax consequences of the Acquisition applicable to them.

Neither the SEC nor any US state securities commission has approved or disapproved or passed judgment upon the fairness or the merits of the Acquisition or determined if this announcement is adequate, accurate or complete. Any representation to the contrary is a criminal offence in the US.

Each of DORE and Bidco is incorporated under the laws of England and Wales. In addition, some or all of their respective officers and directors reside outside the US, and some or all of their respective assets are or may be located in jurisdictions outside the US. Therefore, investors may have difficulty effecting service of process within the US upon those persons or recovering against DORE or Bidco or their respective officers or directors on judgments of US courts, including judgments based upon the civil liability provisions of US federal securities laws. Further, it may be difficult to compel a non-US company and its affiliates to subject themselves to a US court's judgment. It may not be possible to sue DORE or Bidco or their respective officers or directors in a non-US court for violations of US securities laws.

In accordance with normal United Kingdom practice and pursuant to Rule 14e-5(b) of the US Exchange Act, to the extent applicable, Bidco or its nominees or brokers (acting as agents) may from time to time make certain purchases of, or arrangements to purchase, DORE Shares outside the US, other than pursuant to the Acquisition, until the date on which the Acquisition becomes Effective, lapses or is otherwise withdrawn, in compliance with applicable law, including the US Exchange Act. These purchases may occur either in the open market at prevailing prices or in private transactions at negotiated prices. Any information about such purchases will be disclosed as required in the United Kingdom, will be reported via a Regulatory Information Service and will be available on the London Stock Exchange website at: <http://www.londonstockexchange.com>.

Further details in relation to US investors in DORE will be contained in the Scheme Document.

Forward-looking statements

This announcement contains certain statements which are, or may be deemed to be, "forward-looking statements". These statements are prospective in nature and are not based on historical facts, but rather on the current expectations and projections of the management of Bidco, Bagnall and/or DORE (as the case may be) about future events, and are, therefore, naturally subject to risks, uncertainties and changes in circumstances that could cause actual results to differ materially from the future results expressed or implied by the forward-looking statements. Forward-looking statements often use words such as, without limitation, "anticipate", "target", "expect", "estimate", "intend", "plan", "forecast", "project", "goal", "believe", "aim", "will", "may", "hope", "continue", "would", "could" or "should" or other words of similar meaning or the negative thereof. Forward-looking statements include, but are not limited to, statements relating to the following: (i) future capital expenditures, expenses, revenues, economic performance, financial conditions, dividend policy, losses and future prospects; (ii) business and management strategies and the expansion and growth of the operations of DORE or Bidco; and (iii) the effects of government regulation on the business of DORE or Bidco. There are many factors which could cause actual results to differ materially from those expressed or implied in forward-looking statements. Among such factors are changes in global, political, economic, business, competitive, market and regulatory forces, circumstances or conditions, future exchange and interest rates, changes in tax rates and future business combinations or disposals. Such statements are qualified in their entirety by the inherent risks and uncertainties surrounding future expectations.

These forward-looking statements are based on numerous assumptions regarding the present and future business strategies of such persons and the environment in which each will operate in the future. Except as expressly provided in this announcement, neither they nor any other statements have been reviewed by the auditors of Bidco, Bagnall and/or DORE. By their nature, these forward-looking statements involve known and unknown risks and uncertainties because they relate to events and depend on circumstances that will or may occur in the future. The factors described in the context of such forward-looking statements in this announcement may cause the actual results, performance or achievements of any such person, or industry results and developments, to be materially different from any results, performance or achievements expressed or implied by such forward-looking statements. Although it is believed that the expectations reflected in such forward-looking statements are reasonable, none of Bidco, Bagnall and/or DORE can give any assurance that such expectations will prove to have been correct and persons reading this announcement are therefore cautioned not to place undue reliance on these forward-looking statements which speak only as at the date of this announcement. None of Bidco, Bagnall and/or DORE or their respective members, directors, officers, employees, advisers or any person acting on behalf of one or more of them, provides any representation, assurance or guarantee that the occurrence of the events expressed or implied in any forward-looking statements in this announcement will actually occur.

Except as required by the FCA, the London Stock Exchange, the Part VI Rules or any other applicable law and/or regulation, none of Bidco, Bagnall and/or DORE or their respective members, directors, officers, employees, advisers or any person acting on behalf of one or more of them, has any intention or accepts any obligation to update publicly or revise forward-looking statements, whether as a result of new information, future events or otherwise, except to the extent legally required. All subsequent oral or written forward-looking statements attributable to Bidco, Bagnall, DORE or any persons acting on their behalf are expressly qualified in their entirety by the cautionary statement above.

No profit forecasts or estimates or quantified financial benefit statements

No statement in this announcement is intended as a profit forecast, profit estimate or quantified financial benefit statement for, or in respect of, Bidco, Bagnall, or DORE for any period and no statement in this announcement should be interpreted to mean that cash flow from operations, earnings, or earnings per share or income of those persons (where relevant) for the current or future financial years would necessarily match or exceed the historical published cash flow from operations, earnings, earnings per share or income of those persons (as appropriate).

A copy of this announcement and the documents required to be published pursuant to Rule 26.1 and Rule 26.2 of the Code will be made available (subject to certain restrictions relating to persons resident in Restricted Jurisdictions), free of charge, on Bidco's website at <https://www.downing.co.uk/offer> and on DORE's website at <https://www.doretrust.com/announcement> by no later than 12 noon on the Business Day following the date of this announcement.

Disclosure requirements of the Code

Under Rule 8.3(a) of the Code, any person who is interested in one per cent. or more of any class of relevant securities of an offeree company or of any securities exchange offeror (being any offeror other than an offeror in respect of which it has been announced that its offer is, or is likely to be, solely in cash) must make an Opening Position Disclosure following the commencement of the offer period and, if later, following the announcement in which any securities exchange offeror is first identified. An Opening Position Disclosure must contain details of the person's interests and short positions in, and rights to subscribe for, any relevant securities of each of (i) the offeree company and (ii) any securities exchange offeror(s). An Opening Position Disclosure by a person to whom Rule 8.3(a) applies must be made by no later than 3.30 p.m. (London time) on the 10th business day following the commencement of the offer period and, if appropriate, by no later than 3.30 p.m. (London time) on the 10th business day following the announcement in which any securities exchange offeror is first identified. Relevant persons who deal in the relevant securities of the offeree company or of a securities exchange offeror prior to the deadline for making an Opening Position Disclosure must instead make a Dealing Disclosure.

Under Rule 8.3(b) of the Code, any person who is, or becomes, interested in one per cent. or more of any class of relevant securities of the offeree company or of any securities exchange offeror must make a Dealing

Disclosure if the person deals in any relevant securities of the offeree company or of any securities exchange offeror. A Dealing Disclosure must contain details of the dealing concerned and of the person's interests and short positions in, and rights to subscribe for, any relevant securities of each of (i) the offeree company and (ii) any securities exchange offeror(s), save to the extent that these details have previously been disclosed under Rule 8. A Dealing Disclosure by a person to whom Rule 8.3(b) applies must be made by no later than 3.30 p.m. (London time) on the business day following the date of the relevant dealing.

If two or more persons act together pursuant to an agreement or understanding, whether formal or informal, to acquire or control an interest in relevant securities of an offeree company or a securities exchange offeror, they will be deemed to be a single person for the purpose of Rule 8.3.

Opening Position Disclosures must also be made by the offeree company and by any offeror and Dealing Disclosures must also be made by the offeree company, by any offeror and by any persons acting in concert with any of them (see Rules 8.1, 8.2 and 8.4).

Details of the offeree and offeror companies in respect of whose relevant securities Opening Position Disclosures and Dealing Disclosures must be made can be found in the Disclosure Table on the Panel's website at www.thetakeoverpanel.org.uk, including details of the number of relevant securities in issue, when the offer period commenced and when any offeror was first identified. You should contact the Panel's Market Surveillance Unit on +44 (0)20 7638 0129 if you are in any doubt as to whether you are required to make an Opening Position Disclosure or a Dealing Disclosure.

Rule 2.9 disclosure

In accordance with Rule 2.9 of the Code, as at close of business on the Latest Practicable Date, DORE's issued share capital consisted of 170,124,264 ordinary shares of £0.01 each (excluding any shares held in treasury), each with voting rights and admitted to trading on the London Stock Exchange's main market for listed securities under ISIN code GB00BLF7PP25. DORE holds 14,498,223 shares in treasury.

Right to switch to a Takeover Offer

Bidco reserves the right to elect, with the consent of the Panel (and subject to the terms of the Co-operation Agreement), to implement the Acquisition by way of a Takeover Offer as an alternative to the Scheme. If the Acquisition is effected by way of a Takeover Offer, and such offer becomes or is declared unconditional and sufficient acceptances are received, Bidco intends to exercise its rights to apply the provisions of Chapter 3 of Part 28 of the Companies Act so as to acquire compulsorily the remaining DORE Shares in respect of which the Takeover Offer has not been accepted.

General

If you are in any doubt about the contents of this announcement or the action you should take, you are recommended to seek your own independent financial advice immediately from your stockbroker, bank manager, solicitor, accountant or independent financial adviser duly authorised under FSMA if you are resident in the United Kingdom or, if not, from another appropriately authorised independent financial adviser.

Part B

1. The Acquisition will be subject to the satisfaction (or waiver, if permitted) of the Conditions in Part A above, and to certain further terms set out in this Part B, and to the full terms and conditions which will be set out in the Scheme Document.
2. Subject to the requirements of the Panel or the Court, Bidco reserves the right to waive, in whole or in part, all or any of the Conditions in Part A above, except for Conditions 1, 2(a)(i), 2(b)(i), 2(c)(i) and 2(c)(iii) which cannot be waived.
3. If any of Conditions 2(a)(ii), 2(b)(ii) or 2(c)(ii) are not satisfied by the deadline specified in the relevant Condition, Bidco shall make an announcement by 8.00 a.m. on the Business Day following such deadline confirming whether it has invoked the relevant Condition, waived the relevant deadline or agreed with DORE to extend the relevant deadline. Conditions 2(a), 2(b) and 4(a) to 4(h) (inclusive) must be fulfilled, or (if capable of waiver) waived, by no later than 11.59 p.m. on the date immediately preceding the date of the Court Hearing. Conditions 3.1 to 3.4 (inclusive) must be fulfilled, or (if capable of waiver) waived, by no later than the earlier of (i) 11.59 p.m. on 27 October 2025 (or such later date, if any, as Bidco and DORE may agree, with the consent of the Panel if required (and that the Court may allow, if required)) and (ii) 11.59 p.m. on the date immediately preceding the date of the Court Hearing. The Acquisition will lapse if it does not become Effective by 11.59 p.m. on the Long Stop Date.
4. Bidco shall be under no obligation to waive (if capable of waiver) or treat as satisfied any of the Conditions by a date earlier than the latest date specified above for the fulfilment or waiver thereof, notwithstanding that the other Conditions to the Acquisition may at such earlier date have been waived or fulfilled and that there are at such earlier date no circumstances indicating that any of such Conditions may not be capable of fulfilment.
5. Each of the Conditions shall be regarded as a separate Condition and shall not be limited by reference to any other Condition.
6. Subject to paragraph 7 below, under Rule 13.5(a) of the Code, Bidco may only invoke a Condition so as to cause the Acquisition not to proceed, to lapse or to be withdrawn with the consent of the Panel. The Panel will normally only give its consent if the circumstances which give rise to the right to invoke

the Condition are of material significance to Bidco in the context of the Acquisition. This will be judged by reference to the facts of each case at the time that the relevant circumstances arise.

7. The Conditions set out in paragraphs 1 and 2(a)(i), 2(b)(i), 2(c)(i) and 2(c)(iii) of Part A of this Appendix 1 (and any Takeover Offer acceptance condition adopted on the basis specified in paragraph 16 of this Part B of this Appendix 1) will not be subject to Rule 13.5(a) of the Code.
8. Any Condition that is subject to Rule 13.5(a) of the Code may be waived by Bidco.
9. If Bidco is required by the Panel to make an offer for DORE Shares under the provisions of Rule 9 of the Code, Bidco may make such alterations to any of the above Conditions and terms of the Acquisition as are necessary to comply with the provisions of that Rule.
10. Scheme Shares will be acquired by Bidco under the Acquisition fully paid and free from all liens, equities, equitable interests, charges, encumbrances, options, rights of pre-emption and any other third party rights or interests whatsoever and together with all rights existing at the date of this announcement or thereafter attaching or accruing thereto, including (without limitation) voting rights and the right to receive and retain, in full, all dividends and other distributions (if any) declared, made or paid or any other return of capital (whether by way of reduction of share capital or share premium account or otherwise) made on or after the date of this announcement, other than the DORE Permitted Dividends and any dividend, other distribution or return of capital or value in respect of which Bidco exercises its right under the terms of the Acquisition to reduce the consideration payable in respect of each Scheme Share.
11. Without prejudice to any right Bidco may have, with the consent of the Panel, to invoke Condition 4(e)(ii), if any dividend, other distribution or other return of capital or value is announced, declared, made, payable or paid in respect of the DORE Shares on or after the date of this announcement and prior to the Effective Date with the exception of the DORE Permitted Dividends, Bidco reserves the right to reduce the consideration payable in respect of each Scheme Share under the terms of the Acquisition by the amount of all or part of any such dividend, other distribution or other return of capital or value (with the exception of the DORE Permitted Dividends), provided that, to the extent that such dividend, other distribution or other return of capital or value is cancelled, the consideration shall not be subject to change. If Bidco exercises this right or makes such a reduction in respect of a dividend, other distribution or other return of capital or value, Scheme Shareholders will be entitled to receive and retain that dividend, other distribution or other return of capital or value.
12. No amounts of cash of less than one penny will be paid to any Scheme Shareholder pursuant to the Scheme and the aggregate amount of cash to which a Scheme Shareholder will be entitled under the Scheme will be rounded down to the nearest penny.
13. The availability of the Acquisition to persons resident in, or citizens of, or otherwise subject to, jurisdictions outside the United Kingdom may be affected by the laws of the relevant jurisdictions. Such persons should inform themselves of, and observe, any applicable legal or regulatory requirements of their jurisdiction. DORE Shareholders who are in any doubt regarding such matters should consult an appropriate independent professional adviser in the relevant jurisdiction without delay.
14. Unless otherwise determined by Bidco or required by the Code, the Acquisition is not being made, directly or indirectly, in, into or from, or by use of the mails of, or any means of instrumentality

(including, without limitation, facsimile, e-mail or other electronic transmission, telex or telephone) of interstate or foreign commerce of, or any facility of a national, state or other securities exchange of, any Restricted Jurisdiction and shall not be capable of acceptance by any such use, means, instrumentality or facility or from within any Restricted Jurisdiction.

15. The Acquisition will be governed by English law and be subject to the jurisdiction of the Court and to the Conditions and further terms set out in this Appendix 1 and to be set out in the Scheme Document. The Acquisition will also be subject to the applicable requirements of the Companies Act, the Court, the Code, the Panel, the London Stock Exchange, the FCA and the Registrar of Companies.
16. Bidco reserves the right to elect to implement the Acquisition by way of a Takeover Offer as an alternative to the Scheme, subject to obtaining the consent of the Panel and to the terms of the Co-operation Agreement. In such event, such Takeover Offer will be implemented on the same terms and conditions, so far as applicable, as those which would apply to the Scheme, subject to appropriate amendments for an acquisition being made by way of a Takeover Offer including (without limitation) the inclusion of an acceptance condition set at 90 per cent. of the DORE Shares to which the Takeover Offer relates (or such lesser percentage as may be determined by Bidco after consultation with the Panel (if necessary), being in any case more than 50 per cent. of the voting rights normally exercisable at a general meeting of DORE, including, for this purpose, any such voting rights attaching to DORE Shares that are issued before the Takeover Offer becomes or is declared unconditional, whether pursuant to the exercise of any outstanding subscription or conversion rights or otherwise). Further, if sufficient acceptances of the Takeover Offer are received and/or sufficient DORE Shares are otherwise acquired, it is the intention of Bidco to apply the provisions of the Companies Act to compulsorily acquire any outstanding DORE Shares to which the Takeover Offer relates.

20 June 2025

Dear Sirs,

Valuation Report under Rule 29 of The City Code on Takeovers and Mergers (the "Takeover Code")

We are writing to provide our opinion on the underlying fair market valuation as at 31 March 2025 (the "**Valuation Date**") of the portfolio of renewable energy and infrastructure assets in the UK, Sweden and Iceland (together the "**Projects**" or "**Portfolio**") owned by Downing Renewables & Infrastructure Trust PLC ("**Company**"), being £188.5 million, (the "**Valuation**"), prepared by Downing LLP (the "**Investment Manager**") in connection with the unaudited net asset value as at the Valuation Date published by the Company on 20 June 2025 (the "**31 March 2025 NAV**"). The list of Projects forming the Portfolio is shown in Appendix A.

The scope of work undertaken in respect of forming our opinion was as set out in our engagement letter signed on 10 May 2025 (the "**Engagement Letter**") and is subject to the terms contained therein.

Our work in respect of this Valuation Report concluded on 20 June 2025 being the date of the Rule 2.7 announcement (the "**Announcement**") published by the Company in connection with the recommended cash acquisition (the "**Acquisition**") of the entire issued and to be issued ordinary share capital of the Company that Bagnall Energy Limited ("**Bagnall**") and its subsidiary undertakings do not already own by Polar Nimrod Topco Limited, a wholly-owned subsidiary of Bagnall based on the Valuation Date of 31 March 2025. No responsibility is accepted for matters arising after this date.

1. Purpose

This Valuation Report is required to be included in the Announcement under Rule 29 of the Takeover Code and is given for the purpose of complying with that requirement and for no other purpose.

2. Responsibility

The Investment Manager prepared the underlying Valuation on behalf of the Company and the Investment Manager and the Company are solely responsible for the 31 March 2025 NAV.

It is our responsibility to form an opinion as required by Rule 29 of the Takeover Code to support the Valuation prepared by the Investment Manager used in the calculation of the 31 March 2025 NAV.

Save for any responsibility we may have to those persons to whom this Valuation Report is expressly addressed, and such persons covered under the Engagement Letter, to the fullest extent permitted by law we do not assume any responsibility and will not accept any liability to any other person for any loss suffered by any such other person as a result of, arising out of, or in connection with this report or our statement, required by and given solely for the purposes of complying with Rule 23.2 of the Takeover Code, consenting to its inclusion in the Announcement to be published by the Company in connection with the Acquisition.

3. Basis of Valuation and Limitations

This Report sets out our opinion on a fair market value of the Portfolio owned by the Company prepared by the Investment Manager as at the Valuation Date, assuming a willing buyer and seller, dealing at arm's length with equal information and where the parties had each acted knowingly and without compulsion.

The Valuation is necessarily based on economic, market and other conditions in effect on the Valuation Date. This includes a review of macroeconomic conditions such as government bond yields, country risk, inflation and exchange rate trends for the respective geographies in which the Company operates, as well as a review of the relevant debt and equity markets. Additionally, we consider general infrastructure market activity and investor sentiment, and review the valuation of recent relevant transactions together with a consideration of any significant regulatory or policy changes.

In providing this opinion, we have relied upon public information and on the information provided by the Investment Manager, discussion on commercial assessment of a number of issues, including the markets in which the Portfolio operates and the assumptions underlying the projected financial information which were provided by the Investment Manager on behalf of the Company, for which the Investment Manager and the Company are wholly responsible.

The Valuation has been determined using a discounted cash flow methodology, whereby the estimated future equity cash flows accruing to the equity interest and attributable to the Projects have been discounted to 31 March 2025 using a discount rate reflecting the risks associated with the equity interest and the time value of money. The Valuation is based on the estimated equity cash flows projected to be received, or paid, on or after 1 April 2025 and on the discount rate assumed. There is no one precise applicable discount rate but rather a range which we consider at the Valuation Date to fall within the appropriate range, having regard to various factors, including, but not limited to, the period of operations, the historical track record, the expected power prices and contractual arrangements for both revenues and costs.

As a final step, we have then compared the Valuation with the asset multiples seen for companies and transactions in the sector.

We have made the following key assumptions in providing our opinion on the Valuation:

- the financial models ("Models") for the Projects made available to us for the purpose of our services accurately reflects the terms of all agreements relating to the Projects;
- the accounting policies applied in the Models for the Projects are in accordance with the relevant IFRS;

- the tax treatment applied in the Models for the Projects is in accordance with the applicable tax legislation and does not materially understate the future liability of the Projects to pay tax;
- the Company has legal title to all Project special purpose vehicles which are set out in the Models and the Projects are entitled to receive the income assumed to be received by them in the Models; and
- there are no material disputes with parties contracting directly or indirectly with the Project special purpose vehicles nor any going concern issues, nor performance issues in regard to the contracting parties, nor any other contingent liabilities, which as at the date of the delivery of our Valuation Report are expected to give rise to a material adverse effect on the future cash flows of the Projects as set out in the relevant project Model provided to us.

For the avoidance of doubt, we were not required to:

- review underlying Project agreements;
- review any transaction documentation;
- review or audit the workings in the Models and independently verify its results; or
- carry out any detailed due diligence work or perform any verification procedures or other procedures during our review which are in the nature of a statutory audit (or otherwise) of any party.

4. Basis of opinion

We have performed our work in accordance with IFRS 13 issued by the International Accounting Standards Board (as in force at the Valuation Date) (“**IFRS 13**”) and the International Valuation Standards Council (“**IVSC**”) valuation guidelines .

We planned and performed our work so as to obtain the information and explanations which we considered necessary in order to provide our opinion.

In carrying out our work we have:

- reviewed the work papers & Models prepared by the Investment Manager in support of the Valuation;
- considered the basis of value and assumptions used in the Valuation by the Investment Manager including a comparison of these assumptions to publicly available and proprietary data;
- made enquiries to the Company and the Investment Manager with respect to the performance and operations of the Projects; and
- where necessary, considered supporting evidence obtained by the Company or from public sources.

The Valuation does not take into account any costs of disposing of the Projects or any liability to taxation that may arise on their disposal. Nor have any other adjustments been made.

5. Our opinion

In our opinion, the Valuation of the Company's portfolio of renewable energy and infrastructure assets in the UK, Sweden and Iceland as at 31 March 2025:

- complies with, was fairly presented and was prepared in accordance with IFRS 13 and IVSC valuation
- guidelines; and
- has been prepared after due care and consideration.

On the basis of our review, we are not aware of any material modifications that should be made to the Valuation as at the Valuation Date.

6. Rule 29.4 of the Code

We present below the necessary details to comply with Rule 29.4(a)(i) of the Takeover Code:
